best grass land in the state this land will produce 40 to 50 of corn to the acre and correspond. ing yields of other grains. The soil is a rich, same some and very productive. Every acre of this land will produce red or white slover, blue grass timothy or alfaifa. Every acre of this land will produce red or white blover blie grass imothy or alfaifa. Every acre was produce as much grass as any \$125 acre land in the state. It is all covered with a heavy growth of blue stem grass at the present time. This tract contains a lake of 15 acres, which is fed by springs and furnishes an abundance of pure water the year round. Don't live on a small farm of high priced land when you have the opportunity of securing a tract of this kind where you cannot only make so much more money in the dairying and stock feeding business, but the increase in the value of this land will make you a fortune. You do not have to dig every dollar you make out of the soil. If you run a dairy farm they will come to the door for the ream and pay you the cash. If you do a stock feeding business you can purchase the feeders farther west and feed them on this land in transit, afterwards shipping the finished cattle to either the south Omaha or Sioux City markets. If you need more grain than you raise on this land for your feeding you can purchase all you want from the adjoining farms. This is not a trace of cheap western land, but located in the rain but of castern Nebraska. In a district that has been settled for 25 years. For quick sale 116 per acre. AFFAIRS AT SOUTH OMAHA APOLLO CLUB'S CONCERT

Police Are Looking Into History of Frank A. Goelet.

ARRESTED FOR BREAKING GLASS

Additional Saloon Licenses Granted, Making Thirteen Still Up in the Air-Mrs. Alice Carpenter

The police are investigating the antecedents of Frank A. Goelt, who was arrested yeste day morning at Twenty-seventh and E streets after having created such a disturbance in the locality that he brought the residents out of bed and himself ran the risk of being shot by some of the indignant people.

Goelet broke the windows of some of the houses, and from the number of shots fired the wonder of the police is that omeone was not injured. Goelet confessed yesterday that he had een ten months in the Ohio penitentiary

for burglary. He said he had "done time" because he kept "his mouth closed to save pal." Prior to this he had been in the United States army, but why he left he does not disclose. The police are inclined to think his story

that he was "abainthe crasy" is a stall, and they say that he was seen with two others around this locality, from which two burglaries were reported yesterday morn-

One of the burgiaries was at the home of J. M. Henry, 1528 North Twenty-cixth street, where a quantity of wearing apparel was carried off, and another was at 2516 D street, Earl Cox losing , his gold watch. In this case the midnight prowlers

his love for absinthe, "chilled with ice," has been his undoing while his confreres were able to escape.

More Licenses Granted. The following additional saloon licenses were granted yesterday.

Frank Traynowicz, Thirty-first and Q streets; Frank Laich, Twenty-seventh and Q streets; Joseph Kediecek, Twentleth and Q streets; Charles Dirks, 2423 N street. The fate of thirteen saloon keepers is still in abeyance as seventy-six have advertised their applications for licenses and only sixty-three have been granted so far

Death of Mrs. Carpenter. Following a long and painful filness Mrs. Alice M. Carpenter died yesterday morning at her home on the Fort Crook Boulevard, aged 53. She is survived by her husband, L. J. Carpenter, and her daughter, Mrs. Erle B. Brown.

Mrs. Carpenter, who had been a resident in this district for twenty-five years, was known as a woman of fine business aptitude, combined with a womanly courtesy and kindliness of disposition. Widespread regret is expressed at her death. By the request of Mrs. Carpenter the

funeral will be private, the body being taken Thursday to Emerson, la., for in terment. "The Singin' School."

The Low Holler Choral union, conducted by Prof. P. Percival Pipp, in A. M., D. M., will give "The Singin' Skewl," a two-act farce with songs and costumes of thirty years ago, in the High school auditorium Thursday evening, at 8.15, under the auspices of the Baptist Young People's union.
